

Future of Testing Conference

Washington Duke Inn, Durham, NC

Friday, May 15, 2015

8:00am	Welcome and Opening Remarks	John Frohna, MD, MPH David Nichols, MD, MBA
8:10am	Overview of the ABP Current Testing Model	Linda Althouse, PhD
8:30am	Keynote Address	Cees van der Vleuten, PhD
9:30am	Break	
9:45am	Innovations in Testing at Other ABMS Member Boards American Board of Anesthesiology <i>MOCA Minute – Pilot to Replace MOC Part 3</i> American Board of Dermatology <i>Online Proctoring Pilot for MOC Part 3</i> American Board of Family Medicine <i>In-training exam, Simulations, Use of EHRs for MOC Part 3</i> American Board of Internal Medicine <i>Accessing External Resources during a High Stakes Exam</i>	Mira Irons, MD, Moderator Ann Harman, PhD Lela Lee, MD Thomas O’Neill, PhD Rebecca Lipner, PhD
11:00am	Innovations in Assessment – Assessing the Possibilities	Cynthia Parshall, PhD
11:30am	Lunch	
12:15pm	Lightning Talks - Day 1 1. Assessment Engineering 2. Auto Item Generation 3. Adaptive Testing 4. Computer-Based Simulations 5. Game-Based Assessments 6. Use of Internet During Secure Online Testing 7. Online Proctoring 8. No Proctoring (with Authentication)	Cynthia Parshall, PhD, Moderator Matthew Burke, PhD Andre De Champlain, PhD Lawrence Rudner, PhD William McGaghie, PhD Kristen DiCerbo, PhD Stephen Williams David Foster, PhD Linda Althouse, PhD
2:00pm	Break	
2:15pm <i>Academy/Garden Forest A/B</i>	Breakout Session A 1. Proctoring Options 2. Use of Internet During Secure Online Testing	David Foster, PhD/Lela Lee, PhD Stephen Williams/Rebecca Lipner, PhD
2:45pm	Review of Breakout Session A 1. Proctoring Options 2. Use of Internet During Secure Online Testing	Anna Kuo, MD/Laura Brooks, MD Laura Ibsen, MD/Rebecca Lipner, PhD
3:15pm	Break	
3:30pm <i>Academy Forest A Forest B Governors Trinity</i>	Breakout Session B 1. Assessment Engineering 2. Auto Item Generation 3. Adaptive Testing 4. Computer-Based Simulations 5. Game-Based Assessments	Matthew Burke, PhD André De Champlain, PhD Lawrence Rudner, PhD William McGaghie, PhD Kristin DiCerbo, PhD
4:15pm	Review of Breakout Session B 1. Assessment Engineering 2. Auto-Item Generation 3. Adaptive Testing 4. Computer-Based Simulations 5. Game-Based Assessments	Pamela Simms-Mackey, MD Laura Brooks, MD Anna Kuo, MD Thomas O’Neill, PhD Ian Nathanson, MD
5:15pm	Final Comments/Adjourn	John Frohna, MD, MPH

Saturday, May 16, 2015

8:00am	Innovations in Testing at Other Credentialing Organizations Graduate Management Admission Council National Council of State Boards of Nursing	Lawrence Rudner, PhD Ada Woo, PhD
8:45am	Lightning Talks – Day 2 1. Assessing Clinical Reasoning 2. Performance-Based Assessments 3. EPAs, Competencies, and Milestones 4. Assessment across the Continuum 5. Workplace Assessments 6. Maintenance of Certification	Larry Gruppen, PhD John Boulet, PhD Carol Carraccio, MD, MA Robert Englander, MD, MPH Eric Holmboe, MD Virginia Moyer, MD, MPH
10:00am	Break	
10:15am <i>Academy Garden Governors President I/II Tower Trinity</i>	Breakout Session C 1. Assessing Clinical Reasoning 2. Performance-Based Assessments 3. EPAs, Competencies, and Milestones 4. Assessment across the Continuum 5. Workplace Assessments 6. Maintenance of Certification	Larry Gruppen, PhD John Boulet, PhD Carol Carraccio, MD, MA Robert Englander, MD, MPH Eric Holmboe, MD Virginia Moyer, MD, MPH
10:45am	Review of Breakout Session C 1. Assessing Clinical Reasoning 2. Performance-Based Assessments 3. EPAs, Competencies, and Milestones 4. Assessment across the Continuum 5. Workplace Assessments 6. Maintenance of Certification	Larry Gruppen, PhD Laura Brooks, MD Anna Kuo, MD Rebecca Lipner, PhD Thomas O’Neill, PhD Pamela Simms-Mackey, MD
Noon	Lunch and Panel Discussion What assessment strategies should be used in determining physician competence?	Eric Holmboe, MD William McGaghie, PhD Thomas O’Neill, PhD
1:15pm	Closing Panel Discussion	Laura Brooks, MD, Moderator Rebecca Lipner, PhD Martha Middlemist, MD David Nichols, MD, MBA Joseph St. Geme, MD Cees van der Vleuten, PhD
2:30pm	Final Reflections	Cees van der Vleuten, PhD
3:00pm	Adjourn	John Frohna, MD, MPH

President I/II Ballroom is location for all places where location is not noted.
